

ITALIAN RESTAURANT

'Serafina' was born when Vittorio Assaf and Fabio Granato were lost at sea in a sailboat.

The two stranded friends, fantasized about creating the perfect pizza.

Having survived the ordeal, Fabio went on to create a revolutionary pizza oven and Vittorio a menu featuring Northern Italian classics.

Serafina first opened in the USA in 1994, followed by India, Japan, Korea, Brazil and now in Dubai.

THE WAGYU MEAT SCORING SYSTEM:

The numbers next to each cut of meat refers to the marbling score of the meat. More marbling symbolizes a more tender, creamier texture and true Wagyu connoisseurs prefer a higher marbling score which reflects the quality of the meat. We use Phoenix Wagyu, the highest breed in Australian Beef Cuisine.
